# Our Values.

## Shoot for the moon - and land there.

We are ambitious with our goals and with our execution.

## Love the process.

The reward is the journey. Problems are welcome opportunities to beat the competition.

## Do it together.

We are all TemperPackers. We take the time and patience to develop each other as individuals and teams capable of anything.

## Be the most respected.

Safety, integrity, accountability. Doing the right thing, the right way, every time. That's the TemperPack way.

# Thank You.

# 91%

of all plastic is never recycled. Most of that ends up in the ocean.
